

KS4 Curriculum Options 2020-2022

Student Name: _____ Current School: _____

Parent's Name: _____ Date: _____

Please note that all options subjects are dependent upon minimum uptake numbers and other factors which may be beyond the control of the UTC.

1. All students will study English language and literature, maths, science (double award), mechanical engineering, practical engineering, construction, PE (one lesson a week) and enrichment (one lesson a week).
2. Students can choose **one** of the following option subjects:
 - Business studies
 - Computer science
 - Geography
 - History
 - Separate sciences *
 - Sport

* Separate Sciences is a top up from double award science and leads to a separate qualification for biology, chemistry and physics. In order to choose separate sciences, students must have a target GCSE grade of grade 6 or above in science.

Please write in the table below your 1st and reserve choice, and reasons for this choice:

	1 st choice	Reserve
Subject		
Reason for choice		

3. Please add below any additional information which may be useful to us when assigning an options subject.
