

Energy Coast UTC Provider Access Policy Statement

Introduction

This policy statement sets out the UTC's arrangements for managing the access of providers to pupils at the UTC for the purpose of giving them information about the provider's education or training offer. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Lead or a member of the Senior Leadership Team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at reception or with the Careers Lead, which will be placed in the Careers section of the Learning Resource Centre (LRC).
