	Date:
What were your tasks to	oday?
Did you learn about any	y new skills or job roles?
Did you enjoy your job	today? Why? Why not?
If you could start the wo	eek again, what would you do differently? do more or less of?

Work experience: Review

The part of this work experience that I liked the most wasbecause
The biggest challenge I had to face and overcome was
Was it anything different to how you expected? Yes/No because
In what ways has this type of work affected your career hopes or aims?
In what ways have your career hopes or aims changed or been reinforced?
What new skills have you picked up during the course of your work placement?
What new knowledge have you picked up during the course of your work placement?
How will these new skills and this new knowledge help you when you return to the UTC?
What one piece of advice would you give to someone thinking of applying to take part in a work placement at this company?
Please sum up your work experience placement in 3 words:
Pemember to thank your employer before you leave - future

Remember to thank your employer before you leave - future successful work experiences could depend on you making a good impression!

Placement Details

Name of employer:				
۸ ما ما بره م م .				
Post code:				
Telephone number:				
\\/_b_:+				
On the first day, I have to re	oort to		at	am
I'll start work at am	and finish atp	m.		
For lunch I will				
I need to wear				
To get to work I'll need to				
If I'm genuinely ill during my	work experience and ca at my place of work (ph	_)
