

UNIFORM

What will students wear at the UTC?

Consistent with the working environment of the Energy Coast UTC, students will be expected to maintain the same professional manner and appearance they would adopt while working in industry.

Our dress code has been designed to reflect our facilities and help create a modern and successful working environment.

New students will receive one set of uniform that has been paid for by one of our sponsors Morgan Sindall, however additional items of uniform will incur a charge.

- **ALL UNIFORM ITEMS WILL BE SUPPLIED BY LIBERTY WORK & LEISURE**

Shoes

All students are required to wear the black safety shoes available from Liberty Work and Leisure. From September 2018 students will be able to wear plain black, unbranded flat shoes instead of safety shoes. Trainers, canvas pumps, high heels, toe-less, sling back, backless or ugg style shoes are not acceptable. Shoes must be maintained and polished to a good standard.

Students will still be required to wear safety shoes during practical engineering lessons. If students wish they can wear their safety shoes at all times.

Jewellery

Stud type earrings are permitted, any other jewellery must not be worn in the UTC.

Hair and Make up

Make up should be discreet and natural looking. Hair should be sensible both in style and colour and tied back when in workshops and or science lessons.

If you need to discuss uniform orders, please email enquiries@energycoastutc.co.uk or ring 01900 606446. All orders will take approximately 10 working days and will be delivered directly to the UTC, and issued to the student.
